About the Company

Shoreline Aviation Inc. is seeking a fulltime experienced and Aviation Technician to join our team in Marshfield, MA. Come work with a rapidly growing full-service aviation company headquartered in Marshfield, MA. With offices in Bedford, MA and West Palm Beach, FL, Shoreline Aviation embodies a safety driven culture with a robust Safety Management System (SMS). Shoreline has earned the ARG/US Gold and Wyvern safety rating. We are looking for dedicated and professionals to join our team to help us continue to provide the world-class service and attention to detail our customers have come to expect. We pride ourselves in our level of customer service and are looking for someone who will fit in with our family like environment.

Requirements

- Perform inspections and maintenance on airframes, engines, propellers as needed

Aircraft Type

- Shoreline Aviation is a Piper Service Center with focus on PA46 Mirage, Malibu, Matrix and Meridian aircraft
- Various turbojet, turboprop and piston models
- 4 Cessna Citations (Model 560 and 560XL) and a Cessna 414A on our Part 135 Charter certificate.
- Shoreline Aviation is a Diamond Service Center (DA40 & DA42 aircraft).
- Various privately owned General Aviation aircraft (Mooney, Beechcraft, Cirrus, etc.)

Qualifications:

- Minimum high school GED or equivalent
- Airframe and Powerplant Certificate is required
- Hold and maintain a valid driver's license
- RII designation eligible
- Four years related engine and/or airframe maintenance experience preferred, but not required

- Ability to understand and interpret aircraft technical data
- Ability to read small print
- Will routinely lift to 50 lbs. Will occasionally lift to 100 lbs.
- Decipher sounds associated with mechanical deficiencies
- Can tolerate repetitive motion
- Works with moving parts and vibration
- Ability to tolerate products, materials, and fumes associated with airframe and powerplant maintenance
- Tolerates working in confined spaces and heights above 4 feet
- Tolerates standing, walking, crawling, bending, kneeling and sitting for periods during the workday
- Must work dayshifts and weekends when needed
- Effective oral and written communication skills in English
- Tolerates working in extreme temperatures and noisy environments
- Must be working to work in a non-smoking, drug and alcohol-free environment
- Must live within a two-hour commuting range to Marshfield, MA

Benefits Offered

- Paid time off: 2 weeks accrued after first 6 months
- 5 personal/sick paid days per year
- Parental leave
- Health insurance: Blue Cross health insurance package and Aflac supplemental insurance
- Retirement benefits: 401K with company match
- Company credit card for business expenses
- Bonuses (dependent on annual performance)

Disclosure
